4. Periodontology**5. Community and Preventive Dentistry****6. Biomaterials and Bioengineering in Dentistry****7. Clinical and Experimental Dentistry**

Articles on Restorative Dentistry, Endodontics, Prosthesis, Orthodontics, Odontopediatrics.

ARTICLE SUBMISSION

Articles may only be submitted through our web site.

Log in our web site and we will send you an USER NAME and PASSWORD to send the article.

<http://www.medoral.es>

In the submit process:

- We only accept word documents, we do not accept pdf etc.). The WORD documents should include (in an unique word document): The title of the article, the authors, the address for correspondence, the Running Title, Key words, abstract, the text of the article, the references, the tables and the legends of the figures.
- FIGURES in JPEG or TIFF format (less size than 3 MB), in 300 dpi. You should not insert the figures in the word document.
- For the citation of the REFERENCES (see at the end of the instructions).

All accepted articles of this ONLINE VERSION will be published in ENGLISH and included in the SCIENCE CITATION INDEX EXPANDED (*since 2008*), JOURNAL CITATION REPORTS (*since 2008*), INDEX MEDICUS, MEDLINE, PUBMED, SCOPUS, EXCERPTA MEDICA, INDICE MEDICO ESPAÑOL.

Articles will normally be included in one of the different journal sections. Authors should indicate the section in which they wish their article to be included, although the Editor may change this upon advice from reviewers. Articles received will always undergo revision by a committee of experts (*peer review process*). Only original articles will be accepted, authors being responsible for the meeting of this regulation. Authors are also **RESPONSIBLE** for all opinions, results and conclusions contained in articles, which will not necessarily be shared by the journal's Editor and reviewers. All accepted articles become the property of Medicina Oral S.L., and their date of reception and acceptance will be reflected; thus, their subsequent publication in other media is not allowed without written permission by the Editor. Authors will transfer IN WRITING the copyright of their contributions to Medicina Oral S.L.

TYPES OF ARTICLES:

1. Research articles: Analytical investigations such as cross-sectional surveys, case-control studies, cohort studies and controlled clinical trials will be recommended for publication. For clinical trials, authors must specify legal permissions obtained. Articles should not exceed 12 pages (including references) in DIN A-4 format, 30 lines per page. Not more than three figures and four tables should be included; up to 30 references.

2. Review articles: Articles of special interest and those entailing an update on any of the topics identified as subjects for this journal will be accepted. They should not exceed 14 pages (references included) in DIN A-4 format, with 30 lines per page. They should contain a maximum of three figures and four tables per article; up to 40 references.

We no longer ADMIT CASE REPORTS, and for case reports we recommend to submit the paper to another journal...

Journal of Clinical and Experimental Dentistry.

ARTICLE STRUCTURE

Articles should include the following:

1. First page: *This should include the title of the article, as well as a running title, the authors' full name and academic post, and an address for correspondence, including telephone and fax numbers, and e-mail address.*
2. Following pages: *These in turn will include the following headings, according to the type of contribution (research articles, review articles):*

Research articles

— Summary, containing 150-300 words ALWAYS structured as: objectives, study design, results and conclusions.- Key words.- Introduction.- Material and methods: specifying statistical procedures used.- Results.- Discussion.- References.

Review articles

— Summary: containing 150-300 words.- Key words.- Main text, which should when possible be made up of the following paragraphs: Concept, Epidemiology, Pathogenesis, Clinical picture, Complementary explorations, Diagnosis, Prognosis, Management.- References.

REFERENCES

1. We do NOT accept book references.
2. We only admit references of articles INDEXED in PubMed-Medline.
3. The references should be numbered consecutively in order of appearance, being quoted between parentheses in the text. Unpublished observations and personal communications should not be included as references. The Uniform Requirements for Manuscripts Submitted to Biomedical Journals format is required throughout.
http://www.nlm.nih.gov/bsd/uniform_requirements.html
Example: Authors numbering six or less should all be quoted; when more authors are present, first six names will be quoted, followed by et al.

Halpern SD, Ubel PA, Caplan AL. Solid-organ transplantation in HIV-infected patients. *N Engl J Med.* 2002;347:284-7.
