## ARTICLE SUBMISSION

If you want to submit an article log in our website and we will send you an USER NAME and PASSWORD

[www.jced.es](http://www.jced.es)

### In the submit process:

- We only accept word documents, we do not accept pdf etc.). The WORD document should include (in a unique word document): The title of the article, the authors, the address for correspondence, the Running Title, Key words, abstract, the text of the article, the references, the tables and the legends of the figures. The figures and tables should NOT BE INSERTED IN THE WORD TEXT.
- FIGURES in JPEG or TIFF format (less size than 3 MB), in 300 dpi.
- For the citation of the REFERENCES (see at the end of the instructions).

All accepted articles will be published only in the **ONLINE VERSION** and in **ENGLISH**.

Articles received will always undergo revision by a committee of experts (*peer review process*). Only original articles will be accepted, authors being responsible for the meeting of this regulation. Authors are also **RESPONSIBLE** for all opinions, results and conclusions contained in articles, which will not necessarily be shared by the journal's Editor and reviewers. All accepted articles become the property of Medicina Oral S.L., and their date of reception and acceptance will be reflected; thus, their subsequent publication in other media is not allowed without written permission by the Editor. Authors will transfer IN WRITING the copyright of their contributions to Medicina Oral S.L.

### TYPES OF ARTICLES:

- 1. Research articles:** Analytical investigations such as cross-sectional surveys, case-control studies, cohort studies and controlled clinical trials will be recommended for publication. For clinical trials, authors must specify legal permissions obtained. Articles should not exceed 12 pages (including references) in DIN A-4 format, 30 lines per page. Not more than three figures and four tables should be included; up to 30 references.
- 2. Review articles:** Articles of special interest and those entailing an update on any of the topics identified as subjects for this journal will be accepted. They should not exceed 12 pages (references included) in DIN A-4 format, with 30 lines per page. They should contain a maximum of three figures and four tables per article; up to 40 references.
- 3. Case reports:** One or more special interest case reports may be included. They should not exceed 6 pages (references included) in DIN A-4 format, with 30 lines per page. A maximum of three figures and one table may be included in each report; up to 15 references.

### ARTICLE STRUCTURE

Articles should include the following:

1. First page: *This should include the title of the article, as well as a running title, the authors' full name and academic post, and an address for correspondence, including telephone and fax numbers, and e-mail address.*

2. Following pages: *These in turn will include the following headings, according to the type of contribution (research articles, review articles or case reports):*

#### Research articles

— Summary, containing 150-300 words ALWAYS structured as: objectives, study design, results and conclusions.- Key words.- Introduction.- Material and methods: specifying statistical procedures used.- Results.- Discussion.- References.

#### Review articles

— Summary: containing 150-300 words.- Key words.- Main text, which should when possible be made up of the following paragraphs: Concept, Epidemiology, Pathogenesis, Clinical features, Complementary explorations, Diagnosis, Prognosis, Management.- References.

#### Case reports

— Summary: containing 150-300 words.- Key words.- Introduction.- Case reports.- Discussion.- References.

### REFERENCES

1. We do NOT accept book references.
2. We only admit references of articles INDEXED in PubMed-Medline.
3. The references should be numbered consecutively in order of appearance, being quoted between parentheses in the text. Unpublished observations and personal communications should not be included as references. The Uniform Requirements for Manuscripts Submitted to Biomedical Journals format is required throughout.

[http://www.nlm.nih.gov/bsd/uniform\\_requirements.html](http://www.nlm.nih.gov/bsd/uniform_requirements.html)

Example: Authors numbering six or less should all be quoted; when more authors are present, first six names will be quoted, followed by et al.

Halpern SD, Ubel PA, Caplan AL. Solid-organ transplantation in HIV-infected patients. *N Engl J Med.* 2002;347:284-7.
